

Rene Lalique opalescent Houppes box

Rene Lalique

£1,350

REF: 2813

Height: 5 cm (2")

Diameter: 14 cm (5.5")

Description

Rene Lalique Houppes box

A dreamy design with powder puffs covering the lid

The lid has a extremely strong opalescence, the base is opalescent but is quite weak which is quite normal for bases.

Marcilhac page ref 228
